# DIPANSHU BANSAL

*AI/ML Engineer | B.Tech CSE, JK Lakshmipat University*

sg169947@gmail.com | +91 7378119932 | linkedin.com/in/dipanshu-bansal-0a9a743a8

## PROFESSIONAL SUMMARY

Passionate AI/ML Engineer currently pursuing B.Tech in Computer Science & Engineering at JK Lakshmipat University. Equipped with a strong foundation in machine learning frameworks including PyTorch, TensorFlow, and scikit-learn. Combines technical expertise with creative multimedia skills, uniquely positioned to develop and present AI/ML solutions through compelling visual storytelling. Active content creator with 50K+ views on educational AI and tech content.

## TECHNICAL SKILLS

**Programming Languages:** Python, C, SQL

**AI/ML Frameworks & Libraries:** TensorFlow, PyTorch, scikit-learn, NumPy, Pandas, Matplotlib

**Creative & Multimedia Tools:** Adobe Premiere Pro, Adobe After Effects, CapCut, Blender, DaVinci Resolve, Autodesk Maya

## PROJECTS

**Hospital Management System with Predictive Analytics**

- Integrated machine learning models to predict patient readmission rates with **87% accuracy** using scikit-learn and historical patient data

**Weapon Detection in CCTV Camera**

- Trained a deep learning model on a Kaggle dataset using **TensorFlow/PyTorch** and **OpenCV** for real-time image processing and detection

**AI-Powered Movie Recommendation System**

- Implemented **collaborative filtering** and content-based recommendation algorithms using scikit-learn and Pandas on the MovieLens dataset

## CERTIFICATIONS & ACHIEVEMENTS

- Machine Learning Specialization — Stanford University (Coursera) [In Progress]
- Python for Data Science & Machine Learning — Udemy [In Progress]
- Advanced Visual Effects (ADVFX) Certification — MAAC [In Progress]

## EXTRACURRICULAR ACTIVITIES

- **Content Creator & Video Editor:** Produced educational tech content achieving 50K+ views, specialising in AI tutorials, backend development, and 3D visualisations using advanced motion graphics and VFX techniques

## EDUCATION

**B.Tech — Computer Science & Engineering**
